

Get Clued In!

Episode #8 Clu Crew and The Case of Tut's Tomb

In Today's Episode...

The Clu Crew learn about the benefits – and dangers – of technology. They learn to honor God in *all* that they do, to use self control, and to obey the safe instruction provided by parents or guardians.

Follow the Clues...

Alongside every exciting mystery, the Clu Crew grow in their faith by discovering the truths inside Scripture. Did you spot the Bible verses they used to solve personal puzzles?

- When talking about video games, Bonnie quotes from Ephesians 5:15, which commands us to act wisely, “making the best use of the time.”
- Even considering the things we do for fun, Bonnie reminds Peter that the Bible says “whatever you do, do all to the glory of God.” (1 Corinthians 10:31)
- Peter doesn't want to have an addiction and, instead, wants to spend his time wisely. Bonnie reminds him that in all we do, “For everything there is a season.”(Ecclesiastes 3:1)

Solve the Mystery...

Today's adventure was full of lessons that teach us how to come closer to Jesus and live by His Word. Here are 3 discussion topics that will help connect the story to your daily life:

1. Peter's video games became an addiction. What are things you can get addicted to and how can you prevent it? Can you name some specific examples of better ways to use your time?
2. At the end, Peter is reminded of the words Jesus said in Matthew 5:30, “And if your right hand causes you to sin, cut it off and throw it away. For it is better that you lose one of your members than that your whole body go into hell.” What do you think this means?
3. What are some safety lessons you learned from Peter's experience?

Grow Your Faith...

This episode has themes of addictions, technology, safety, and self-control. Let's say a prayer, asking that God would guide us through our daily lives as we strive to take these themes to heart:

Dear God, thank you for the things you give us, even the technology we're able to use the games we enjoy. But these are *gifts*, and we never want them to take us away from you or the people around us. Give us wisdom and self-control and help us listen to the people you have put in our lives to teach us and protect us. We are thankful for them as well.
